

**Consider raising the profile of your business or organization at the 2-day
Western Canada Cleantech Innovation Forum, to be held in Winnipeg, MB on November 29-30, 2017.**

The goals for the forum, hosted by the Manitoba Environmental Industries Association (MEIA) are:

- To showcase cleantech innovation
- To link entrepreneurs with researchers, investment partners and clients
- To facilitate development of a network to foster growth of the sector

The forum will feature:

- The Green Dragon's Lair – a pitch competition for cleantech entrepreneurs
- Keynote Speakers Terry O'Reilly, Host of CBC Radio's "Under the Influence" and Thomas Homer-Dixon, Author of Carbon Shift
- Technical sessions on cleantech solutions
- A student poster competition

There are several opportunities to profile your businesses or organization with the 200+ entrepreneurs, researchers, funders, regulators and students who are expected to attend.
